## **I. Policy Statement**

The Madison County Commission is a recipient of Federal Transit Administration (FTA) funds to support transit services at the Madison County – Robert "Bob" Harrison Senior Wellness and Advocacy Center (MC-RHSWAC). The Madison County Commission ensures compliance with Title VI of the Civil Rights Act of 1964, 49 CFR, Part 21, and related statutes and regulations to the end that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance" (42 U.S.C. Section 2000d) including the denial of meaning access for Limited English Proficient (LEP) persons in the delivery of transit services at the MC-RHSWAC.

The purpose of this plan is to assist the MC-RHSWAC in its administration and management of Title VI related activities. The MC-RHSWAC's Title VI Coordinator is Jermie Howell, Madison County Personnel Director. He can be contacted at 256-532-3614 and/or [jhowell@madisoncountyal.gov](mailto:jhowell@madisoncountyal.gov).

## **II. Notice to the Public**

The MC-RHSWAC has developed a Title VI Notice to provide information to the public regarding the MC-RHSWAC's Title VI obligations and to inform the public of the protections against discrimination afforded to them by Title VI. The notice also includes contact information to file a discrimination complaint with the MC-RHSWAC as well as information to file a complaint directly with the Federal Transit Administration (FTA).

The MC-RHSWAC has posted the Title VI Notice on the agency's website and in public areas of the agency's office(s) including the receptionist area and meeting rooms. The notice is also posted in all transit vehicles. This notice will be translated into languages other than English as needed. A copy of the notice is included as Appendix A.

## **III. Complaint Procedures and Form**

A Title VI complaint may be filed by any individual or individuals who allege that he or she has been subjected to discrimination or adverse impact under any FTA funded program or activity based on race, color, or national origin. The MC-RHSWAC has adopted Title VI complaint procedures for investigating and tracking complaints. A formal, signed, written Title VI complaint form must be filed within 180 days of the date of the alleged act of discrimination. A copy of the complaint form is included in Appendix B. The complaint procedures and complaint form are also posted on the MC-RHSWAC's website at [www.madisoncountyal.gov](http://www.madisoncountyal.gov) (follow the links to the District Six office). If information is needed in another language, complainant can contact 256.532.1505. Si se necesita información en otro idioma, denunciante puede contactar 256.532.1505. Completed forms should be submitted to:

Jermie Howell, Personnel Director  
Madison County  
100 Northside Square  
Huntsville, Alabama 35801  
256-532-3614 Office  
256-532-3322 Fax  
jhowell@madisoncountyal.gov

Once the complaint is received, the MC-RHSWAC will review it to determine who has jurisdiction. The complainant will receive an acknowledgement letter informing her/him whether the complaint will be investigated by the MC-RHSWAC's office. The MC-RHSWAC will only process complaint forms that are complete.

In a situation where the complainant is unable or incapable of providing a written complaint, a verbal complaint of discrimination may be made to the MC-RHSWAC. Under these circumstances, the complainant will be interviewed and the MC-RHSWAC will assist the complainant in converting the verbal allegations to a formal written complaint.

The MC-RHSWAC has 15 business days to investigate the complaint. If more information is needed to resolve the case, the MC-RHSWAC may contact the complainant. The complainant has 15 business days from the date of this letter to send requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within 15 business days, the MC-RHSWAC can administratively close the case. A case can also be administratively closed if the complainant no longer wishes to pursue the case.

After the investigator reviews the complaint, she/he will issue one of two letters to the complainant: a closure letter or a letter of finding (LOF). A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed. An LOF summarizes the allegations and the interviews regarding the alleged incident and explains whether any disciplinary action, additional training of the accused staff member or other action will occur. If the complainant wishes to appeal the decision, she/he has 15 days after the date of the closure letter or the LOF to do so.

If the complainant is not satisfied with actions taken locally or if they demand further action, the complaint will be referred to Mr. Joe Nix, Alabama Department of Transportation, Modal Programs Bureau, 1100 John Overton Drive, Montgomery, Alabama 36110.

A person may also file a complaint directly with the Federal Transit Administration at FTA Office of Civil Rights, 1200 New Jersey Avenue SE, Washington, DC 20590.

#### **IV. Transit-Related Investigations, Complaints, and Lawsuits**

The MC-RHSWAC shall maintain a log of Title VI complaints received. The log shall include the date the complaint was filed, a summary of the allegations, the status of the

complaint, and actions taken in response to the complaint. Any transit related Title VI active investigations and lawsuits shall also be included in this log. This log shall be included in the Title VI Program that is submitted to ALDOT every three years.

There have been no Title VI transit-related investigations, complaints, or lawsuits received by the MC-RHSWAC. A copy of the Title VI Transit Investigations, Complaints, and Lawsuits Form that will be used if a complaint or lawsuit is filed can be found in Appendix C.

## **V. Public Participation Plan**

The MC-RHSWAC is committed to providing early and continuous opportunities for public participation in the transportation decision making process. These opportunities are open to everyone including minority, low-income, and the Limited English Proficiency (LEP) populations. The Public Participation Plan provides for an open exchange of information and ideas between the public and transportation decision makers. The MC-RHSWAC's public participation program is ongoing and reviewed regularly in order to identify, meet, and serve the community's needs.

In an effort to more fully integrate the opinions of minority, low-income, and LEP populations into community outreach activities, the MC-RHSWAC's public participation program will:

- Continue to coordinate with community-based organizations to identify and implement strategies to reach out to members in the affected minority, low-income, and LEP communities.
- Reduce barriers to public participation from these segments of the population.
- Place public notices on its websites, in the receptionist areas, and on transit vehicles.
- Utilize the media (newspaper, radio, television, etc.) to notify the minority, low-income, and LEP populations of public involvement efforts.
- Provide opportunities for public participation through means other than written communication, such as personal interviews or the use of recording devices to capture oral comments.
- Hold public meetings in locations, facilities, and at meeting times that are convenient and accessible to the minority, low-income, and LEP populations.
- Ensure that the decision making process adequately considers the issues and concerns raised by minority, low-income, and LEP populations.
- Develop Title VI brochures in English and other languages as needed.
- Make public information available in electronically accessible formats.

To date, the MC-RHSWAC has participated in the following public outreach and

involvement activities:

- MC-RHSWAC staff members have attended local meetings to identify community needs.
- MC-RHSWAC staff members have participated in public outreach efforts. These outreach efforts include interactions at public open houses.
- MC-RHSWAC placed ads in "Speakin' Out News" a local weekly newspaper.
- MC-RHSWAC placed ads in "Valley Weekly" a local monthly newspaper.
- MC-RHSWAC maintains a monthly calendar of events, conducts social media campaigns and publishes a monthly newsletter.

## **VI.Limited English Proficient Plan**

The Four Factor Analysis is used to identify Limited English Proficient (LEP) persons who need language assistance, outline how language assistance is provided, and describe how the MC-RHSWAC considers the needs of LEP persons. This assessment balances the following four factors:

- A. The number or proportion of LEP persons eligible to be served or likely to be encountered by the MC-RHSWAC's program. In addition to the number or proportion of LEP persons served, the analysis identified:
  1. How LEP persons interact with the MC-RHSWAC
  2. Where LEP communities are located and the number or proportion of LEP persons from each language group to determine the appropriate language services for each language group;
  3. The literacy skills of LEP populations in their native languages in order to determine whether document translation will be an effective practice; and
  4. Whether or not LEP persons are underserved by the MC-RHSWAC due to language barriers.
- B. The frequency with which LEP persons come into contact with the program. The following areas were evaluated:
  1. Bus Drivers;
  2. Information Line;
  3. Receptionist/Clerks;
  4. Annual Events

- C. The nature and importance of the MC-RHSWAC's program to people's lives.
- D. The resources available for LEP outreach and the costs associated with that outreach.

The MC-RHSWAC has developed a Limited English Proficiency Plan which is located in Appendix D. It includes:

- Results of the Four Factor Analysis, including a description of the LEP population(s) served;
- A description of how language assistance services will be provided;
- The methods used by the MC-RHSWAC to provide language assistance services;
- A description of how employees are trained to provide timely and reasonable language assistance to LEP populations;
- A description of how notice is provided to LEP persons about the availability of language assistance; and
- An explanation of how the plan is monitored, evaluated, and updated.

#### Safe Harbor Provision

In accordance with the Safe Harbor Provision, the MC-RHSWAC has identified that no language groups exceed the threshold of 1,000 persons or 5%, whichever is less, of the total population eligible to be served by the program. The MC-RHSWAC focuses translation efforts in Spanish which is the largest language group other than English. Vital documents such as public notices, complaint forms, and complaint procedures will be available in Spanish. The MC-RHSWAC also provides free translation services upon request.

#### **VII. Minority Representation on Planning and Advisory Bodies**

The MC-RHSWAC will not deny a person the opportunity to participate as a member of a planning, advisory, or similar body which is an integral part of the program on the grounds of race, color, or national origin.

The MC-RHSWAC does not have transit-related non-elected planning boards, advisory councils or committees, or similar committees that are selected by the MC-RHSWAC. If the MC-RHSWAC establishes such boards or committees, a table will be used to depict the racial breakdown of the membership of those committees and will be included in future Title VI programs (see Appendix E). In addition, a description of efforts made to encourage the participation of minorities on such committees will be included.

### **VIII. Guidance on Determining Site or Location of Facilities**

The MC-RHSWAC has no construction projects scheduled. In the event that the MC-RHSWAC decides to acquire land and/or construct facilities, the MC-RHSWAC shall not make selections with the purpose or effect of excluding persons from, denying them the benefits of, or subjecting them to discrimination under any transit federally funded program based on the grounds of race, color, or national origin. The MC-RHSWAC shall comply with all federal requirements including 49 CFR Part 21 and FTA Circular 4702.1B and all subsequent provisions.

The MC-RHSWAC will complete a Title VI equity analysis during the planning state of any new facility with regard to where it is to be located or sited to ensure the location is selected without regard to race, color, or national origin. Wherever necessary, needed, and/or required, the MC-RHSWAC will engage in outreach to persons potentially impacted by the placement of facilities. The Title VI equity analysis will compare the equity impacts of various alternatives and will occur before the selection of preferred sites. A copy of the Title VI Construction Project Analysis can be found in Appendix F.

### **IX. Additional Title VI Information**

Additional Title VI information is included in Appendix G.

### **X. Board Meeting Resolution of Approved Title VI Program**

The Madison County Commission approved the Title VI program for the MC-RHSWAC on April 22, 2015. A copy of the **AUTHORIZING RESOLUTION** is included as Appendix H.

## **Introduction**

This Limited English Proficiency Plan (LEP) has been prepared to address the MC-RHSWAC's responsibilities as a recipient of federal financial assistance as they relate to the needs of individuals with limited English skills. This plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, et seq. and its implementing regulations, which state that no person shall be subjected to discrimination on the basis of race, color, or national origin.

## **Plan Summary**

The MC-RHSWAC has developed this LEP Plan to help identify reasonable steps for providing language assistance to persons with limited English proficiency who wish to access transit services provided by the MC-RHSWAC. As defined in Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write, or understand English.

This plan outlines how the MC-RHSWAC identifies a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and how LEP persons are notified that assistance is available.

In order to prepare this plan, the MC-RHSWAC undertook the U.S. DOT Four Factor Analysis which considers the following factors:

1. The number or proportion of LEP persons in the service area who may be served or are likely to encounter a MC-RHSWAC program, activity, or service.
2. The frequency with which LEP persons come into contact with the MC-RHSWAC's programs, activities, or services.
3. The nature and importance of programs, activities, or services provided by the MC-RHSWAC to the LEP population.
4. The resources available to the MC-RHSWAC and the overall cost to provide LEP assistance.

## **Four Factor Analysis**

1. ***The number or proportion of LEP persons in the service area who may be served or are likely to encounter a MC-RHSWAC program, activity, or service.***

The MC-RHSWAC reviewed the 2008-2012 American Community Survey (U.S. Census) and determined that the total population for Madison County is 313,850 and 22,128 persons (7%) speak a language other than English. Of those persons, 8,267

(2.6%) residents report speaking English less than very well. Those persons with limited English proficiency are in the following groups: 4,968 speak Spanish or Spanish-Creole, 606 speak Chinese, and 2,693 speak other languages. The most popular language spoken at home is Spanish. The MC-RHSWAC will likely encounter more Spanish speaking persons that benefit from its programs than any other LEP persons.

**2. *The frequency with which LEP persons come into contact with the MC-RHSWAC's programs, activities, or services.***

The MC-RHSWAC assessed the frequency with which staff and drivers have contact with LEP persons, both presently and in the past. The following contact points and frequencies have been identified:

CONTACT POINTS	FREQUENCY
Bus Drivers	Minimum
Information Line	Minimum
Receptionist/Clerks	Minimum
Annual Events	Minimum

**3. *The nature and importance of programs, activities, or services provided by the MC-RHSWAC to the LEP population.***

The Harrison Center (Center) serves the seniors of Madison County. The free ride to and from the Center provides many of them access to a hot, nutritious reduced cost meal served daily at the Center. The vehicles are maintained by the county which makes them safe and reliable at no additional expense to the seniors. About ¾ of the seniors who ride the vehicles do not have a car and this is their only way to the Center. The Harrison Center focuses on fitness of body and mind with an emphasis on fun. Features Olympic-size swimming pool, hot tub, indoor rubberized track and exercise equipment and much more.

The largest geographic concentration of LEP individuals in the MC-RHSWAC's service area is Spanish speaking residents. These residents are often dependent upon our specialized transportation services. It is also likely that the MC-RHSWAC will encounter LEP individuals at community outreach events.

**4. *The resources available to the MC-RHSWAC and the overall cost to provide LEP assistance.***

The MC-RHSWAC assessed and identified resources that could be used for providing LEP assistance and which documents would be most valuable if translated into other languages and the cost associated with this effort. An inventory of available organizations with which the MC-RHSWAC could partner for outreach and translation efforts was also identified. In addition, bilingual staff, volunteer community agencies, and web based translation services were identified as ways to reduce the cost of translation services.

### **Limited English Proficiency (LEP) Plan Outline**

There are five areas that comprise the MC-RHSWAC's LEP PLAN:

1. Identifying LEP Individuals Requiring Language Assistance
2. Providing Language Assistance
3. Training Staff
4. Providing Notice to LEP Persons
5. Monitoring and Updating the LEP Plan

#### **1. Identifying LEP Individuals Requiring Language Assistance**

The MC-RHSWAC identifies an LEP person who requires language assistance by:

- Examining customer service records to identify language assistance that has been received in the past, either at meetings or over the phone, to determine whether language assistance might be needed for similar future situations.
- Regularly surveying drivers and other first line staff who have direct or indirect contact with LEP individuals.
- Assigning a staff person to greet participants as they arrive at MC-RHSWAC sponsored events. By engaging participants in conversation, it is possible to informally gauge each attendee's ability to speak and understand English.
- Providing Language Identification Flash Cards at public meetings.

#### **2. Providing Language Assistance**

The MC-RHSWAC assists an LEP person who requires language assistance by:

- Networking with local human service organizations that provide service to LEP individuals and seeking opportunities to provide information on the MC-RHSWAC's programs and services through these organizations.
- Posting the MC-RHSWAC's Title VI Notice, Complaint Procedures, Complaint Form, and LEP Plan on the agency's website.
- Identifying in-house staff with other language abilities to assist with translation services.
- Public notices, publications, and other printed materials (including webpage content) may be made available in other languages if requested.

- Placing statements in notices and publications to notify LEP persons that free language interpreter services are available for meetings with a seven day advance notice.
- Providing Language Identification Flash Cards onboard the MC-RHSWAC's fleet and at the Administrative Office.
- Utilizing a web-based translation service application such as Google Translate.

### **3. Training Staff**

The MC-RHSWAC will train staff members on their role and responsibilities in providing meaningful access to services for LEP persons by:

- Providing staff with a description of language assistance services offered by the MC-RHSWAC.
- Providing staff with specific procedures to be followed when encountering a LEP person, including how to handle a potential Title VI / LEP complaint.
- Instructing staff on the use of Language Identification Flash Cards.

### **4. Providing Notice to LEP Persons**

The MC-RHSWAC will provide notice to LEP persons in both oral and written communications by:

- Offering general information on the MC-RHSWAC's website.
- Providing the following written communications in both English and Spanish:
  - Onboard fliers containing information about route changes, rider alerts, fare increases, and public hearings;
  - Title VI Notice, Complaint Procedures, and Complaint Form.

### **5. Monitoring and Updating the LEP Plan**

This plan is designed to be flexible and should be viewed as a work in progress. As such, it is important to consider whether new documents and services should be made accessible for LEP persons and to monitor changes in demographics and types of services.

The MC-RHSWAC will update the LEP Plan as required by the U.S. DOT. At a minimum, the plan will be reviewed and updated when data from the most recent U.S.

Census is made available, when clear and higher concentrations of LEP individuals are present in the MC-RHSWAC's service area, and/or during the process of updating Title VI Program.

The MC-RHSWAC will monitor and update its LEP Plan by:

- Determining how the needs of LEP persons have been addressed.
- Determining the current LEP population in the service area and whether the need for translation services has changed.
- Determining whether local language assistance programs have been effective and sufficient to meet the need.
- Determining whether the MC-RHSWAC's financial resources are sufficient to fund the needed language assistance efforts.
- Determining whether the MC-RHSWAC has fully complied with the goals of the LEP Plan.
- Determining whether complaints have been received concerning the MC-RHSWAC's failure to meet the needs of LEP individuals.

#### **Dissemination of the MC-RHSWAC's LEP Plan**

The LEP Plan will be disseminated to customers and the community by:

- Publishing the LEP Plan and the Title VI Plan on the MC-RHSWAC's website so that any person or agency with internet access can view and download these plans. Alternatively, any person or agency may also request a copy of the plan at no cost via telephone, fax, mail, or in person. LEP individuals may request that these plans be translated into various languages. If feasible, the MC-RHSWAC will accommodate such requests.
- Distributing the LEP Plan to human service organizations in the service area.

Questions or comments regarding the LEP Plan may be submitted to the MC-RHSWAC at the following address:
